

## Baldwin High School Recommendation Letter Form

As part of your college application packet, if you would like your counselor to write a recommendation letter or complete a counselor form, you must submit this form to the guidance office. The information you provide will be the foundation of your counselor's recommendation letter.

Please highlight activities that are of significance to you, future plans, and/or any other relevant personal experiences or information you wish to share. In essence, describe what would you like the admissions committee to know about you, why should they admit you, what do you have to contribute/offer to their school, and/or what makes you unique.

This form should be submitted at least 2 weeks prior to when the letter is needed. Due to the volume of college applications and recommendation letters required, last minute request cannot be honored.
